Remarkable Tribute To "Fruit-a-tives" The Great Fruit Medicine

Jan. 16th, 1916.

"I had Catarrh for thirty-nine years, and I doctored with a great many doctors and took all the patent medicines that I heard of. At last, I went to Canada and saw "Fruit-a-tives" advertised. I commenced taking them in 1914, and kept right on for a year and my Catarrh was entirely relieved. Thank God for the relief as it is an awful disease to have. The "Fruit-a-tives" have helped me in other ways, also. Now, if you want to publish this, you

may do so for it is nothing but the truth, and the whole truth", MATTIE RHAPSTOCK.

Sold by all dealers at 50c. a box, 6 for \$2.50, trial size 25c. - or sent postpaid on receipt of price by Fruit-a-tives Limited, Ogdensburg, New-York.

Mr. Farrell's playing was marked by brilliance and wonderful clearness of touch and tones His style is individual and of marked artistic feeling.

His program was of wide range, comprising as it did Beethoven, Schumann, Chopin, Rubinstein and Liszt. In his first part number, Beethoven Sonata Appassionata, played by request, his interpretation was rather unusual and beautifully executed. Schumann's Papilions was ilistinguished by its dainty airiness, and its many varying phrases were exactly captured by Mr. Farrell.

The Nocturne, sweet and faintly melancholy, the graceful, ripping vaiss and the brilliant, dashing Polonaise in A major were rendered with a perfect understanding delightful to hear.
